

Under the [Criminal Records Review Act](#) anyone who works with children or who has unsupervised access to children must submit to a Criminal Record Check. The Act helps protect children from individuals whose criminal record indicates they pose a risk of physical or sexual abuse.

Criminal Record checks can be done online using the Ministry of Justice's online application system. Visit the following link: <https://justice.gov.bc.ca/eCRC/> and use CDHBC's 'Access Code:' **6YZD4HJAAT**. The results of your criminal record check will then be emailed directly to the CDHBC Registration office. The online application has a faster processing time and does not require printed forms.
